

## TESTIMONIES OF FINANCIAL FORTUNE

### **1. Supernatural Turnaround!**

“Before I joined this Commission in 2010, I was in abject poverty and a subject of pity amongst my family in the village. However, on my first day at Faith Tabernacle, I listened to Bishop Oyedepo preach and I asked myself, ‘Where have you been all this while?’

Thereafter, I obeyed every instruction from the altar to the letter. Immediately, my turnaround started. That same year, God provided me with a job and a house. I also got married in 2011 and presently, we have two children.

In 2012, I gave my house rent as my Shiloh sacrifice. To the glory of God, I who was pitied by the villagers and poorer than the poor, now the landlord of three tenants. In November 2014, we dedicated our duplex. To God be the glory!” ---

**Osadongo, E.**

### **2. Financial Breakthrough via Soul-Winning!**

“When Bishop Oyedepo instructed us to win souls for Christ during the seven weeks of divine visitation, I asked God while praying how much He would pay per soul won and established. The Holy Spirit told me to name my price and I said ₦1million per soul.

**After the first soul was won and established, I made ₦1million from a business venture after one year of stagnation.** I immediately won and established another soul, and God responded with ₦1.1million business breakthrough. I won and established the third and fourth souls and God gave me ₦1.2 million and ₦950,000 profits from my business ventures. Also, I quoted for a contract but was offered an amount less than what I asked for. Later, I was invited to the organization to negotiate but I insisted on my initial cost. Miraculously, the contract that was worth millions of Naira was awarded to me at my own cost. I give God all the glory”---**Jide, S.**

### **3. Dramatic Turnaround!**

“I joined this Commission as a 300 level student at the University of Ibadan. My family was not financially buoyant and I had nothing to my name. However, when I joined this Commission, one of the first things I learnt from my father, Bishop Oyedepo, was a zeal for God’s house.

Then, during my National Youth Service Corps (NYSC) in 2003, I used my ₦7, 500 allowance to paint the church I attended at a Local Government in Bauchi State. Thereafter, I knew that my God would paint my life.

To the glory of God, I have never submitted a Curriculum Vitae (CV), but I have worked in several places. By May 1, 2011, I had established a company and have

Covenant University graduates working with me. The turnover of that company is in billions.

I have charity organizations within and outside the country that I fund. I also award scholarships and give loans to small and medium enterprises (SMEs). I have properties in the centre of Lagos and London, and I pay thousands of pounds for my siblings who are studying abroad.

God has indeed taken shame away from my family because of me. I give Him all the glory!” ---**Rita Okafor**

#### **4. ‘... I Am A Millionaire Today!’**

“Before my wife and I joined this Commission, we had nothing. We could barely feed. We did not have even five naira for offering. My car had just been stolen. I did not have a job, and I was duped of all the money I had left. When we joined the church, we started hearing and doing God’s Word from the Bishop’s mouth. When we met the Bishop, he prophesied that in a short while, there would be various openings for us. From that day, joy filled my heart. Subsequently, I got a job and my car was miraculously recovered!

**The job I got opened the way for another. I now receive between N300,000 to N400,000 monthly. We now have two buildings in Lagos, two choice cars, and multiple visas to European countries. By the special grace of God, I am glad to say I am a millionaire today!”--- Elvis, C.**

#### **5. ‘I Got N1Billion Contract!’**

“A week to Shiloh 2012, the Bishop made an announcement on Shiloh sacrifice. The only valuable item was the fridge in my bedroom, which I decided to offer. I had only N8,000 when I was coming to Shiloh.

I planned going home on Saturday to bring the fridge as my sacrifice. The Holy Spirit said, ‘I won’t take the fridge.’ I said, ‘I don’t have another valuable item to give You.’

On Tuesday, my uncle in Canada sent me some money for my children’s Christmas clothes. The Holy Spirit said, ‘I want that money.’ My legs started shaking and I said, ‘That is all I have. I will give it to you.’ Then He said, ‘Including what is in your purse.’ I was shocked, because that meant I had nothing to eat on Saturday!

I dropped all the money as my Shiloh sacrifice. Then, the Bishop said, ‘Seven days from now, your sacrifice will answer for you!’ **To God’s glory, I got a contract of N1 billion, signed on December 19, 2012. I praise God!”---Joan, K.**

## 6. Financial Breakthrough!

“I have been in this Commission for a while, and the last command I struggled to understand is giving! Every time it came to giving, I pretended as if I was not interested!

During Shiloh last year, I came again as usual. We were here at the *Business Conference*, and the Bishop was admonishing us on giving.

This year, I purposed in my heart that I would give my Shiloh sacrifice in a few millions. When I did that, **the doors that opened afterwards, if I am to work the way I am working in 50 years, there is no way I can get it!**

**This year alone, God has given us three properties: two of the properties are being developed and the third one is about being developed as I speak. Also, God also gave us four luxurious buses! I thank God!” ---Samuel, S. M.**

## 7. Financial Turnaround!

“I joined this Commission in April 2010. In June 2013, I listed every issue of concern on my *Prayer Banquet Card*, including poverty in my family and debts worth millions.

**Miraculously, the debts were paid, and God gave us turnarounds in my family. Today, I’m financially buoyant! There is no more poverty in my family! I give all the glory to the God of this Commission!” ---Francis, E.**

## 8. N5.2 Million Job!

“Last Sunday, the Bishop said, ‘God is not a robber.’ He also said, ‘The God of this Commission will cause people to send for you, from where you least expected.’

In the previous ingathering phase, I participated fully, winning souls for God. On Friday, I fasted and prayed about the new ingathering phase. Thereafter, I received a call to meet someone travelling out of Lagos.

When I got there, the man told me to join him on the journey. I told him I was not prepared, but he insisted I followed him. When we got there, I saw great men from Shanghai, China, who also came for the same job.

The man then told me that he had a dream and God told him to give me the job. **In addition, he gave me a cheque of N5.2 million to start the job. I give all the glory to God!” --- Eze, C. I.**

## 9. Financial Change Of Levels At Age 70!

“When the Bishop declared this season, our season of sudden visitation, He was thinking about me.

I went into spiritual warfare with this declaration and wrote an 83-page letter to God, reminding Him of His promise of my sudden visitation. I declared it continuously and I believed it.

**On January 4, 2013, God changed my story. I received a call that I had been promoted 21 levels above where I was on January 3.**

This has confirmed one of the prophetic declarations on the *Welcome on board Double Portion Flight 2013*, which says: ‘For every shame in any area of my life, Double Portion of glory and honour shall be restored to me.’

I thank God because this is just one of the sudden visitations the Bishop was referring to. Also, I thank God because on February 19, I celebrated my 70<sup>th</sup> birthday!”-**Sebas S.**

## 10. ‘... I Am Financially Successful!’

“In 2010, I had one shop for my business, but things were not working. So, I prayed and fasted for three days for an encounter.

On the third day, I had a dream and saw a congregation, where I was asked to give a speech. I said, ‘If you do God’s work, God will equally do yours.’ Also, the Bishop always says, ‘Seek ye first the Kingdom of God, and every other thing that other people are dying to get, shall be added unto you.’ Immediately I woke up from sleep, I decided to win souls for Christ. Lo and behold, God started recommending me to people and **I was given a property worth N365 million! Today, I’m financially successful! God has visited me!** Praise the Lord!” --**Maria, L.**

## 11. N4.2 Million Contract & Financial Blessing!

“During one of the services, the Bishop said, ‘Somebody’s breakthrough is tied to this soul-winning,’ and I believed the prophecy was for me.

In July 2013, I engaged in soul-winning like never before. I said to myself, ‘This is injury time, I cannot afford to miss this blessing.’

Today, eight of my converts followed me to church. In addition, 22 of them attended the *Foundation Class*.

A pastor in my District said to me, ‘David, I have seen how God has used you to bring in souls. God will give you a testimony before the month runs out.’ Before the end of that month, **God blessed me with N100,000.**

Also, I applied for a contract, but the chairman of an organisation refused to give it to me. However on Monday, I received a phone call to come to the site. When I got there, **the chairman instructed his accountant to write a N4.2 million cheque for me.** I give God all the glory!” --**David, A.**

## 12. Supernatural Transformation!

“Shortly after our marriage, my husband lost his job, and feeding became difficult for us. In one of the services, the Bishop said we should sow a seed to increase the number of chairs in the church, because there were four services then.

I sowed a seed of six hundred naira (N600) for a chair. In one of the services, the Bishop also said very soon, we would hear stories beyond our imagination. I believed it.

Suddenly, my husband was called for a job he never applied for. **He was appointed as the Special Assistant to the Commissioner. In addition, the appointment was backdated and he was paid seven months arrears.**

Also, I used to collect bottles and tin containers from my neighbours to sell, in order to make ends meet.

**Now, things have changed for us! God has visited us financially! I travel abroad every year with my children, and there is no embassy we are refused visa. Furthermore, I have properties in Abuja and Asaba, amidst others. I give all the glory to God!”**--- Chidinma, E.

## 13. Financial Turnaround & Contracts Galore!

“My problem started when I lost my father after some years back. After his burial, everything suddenly went down for me. I sold off all my property, including two big houses, and I could not tell what I did with the money.

It was not long when I attended the Word Of Faith Bible Institute (WOFBI), though I was not a member of the church then. I made an investment by opening a business centre, but it flopped and I began to sell everything there again.

By then, I had heard teachings on giving, so I decided not to sell the brand new photocopy machine, but to give it to the Lord. The machine was worth N200,000. I brought it to church as a seed. **From then on, there was a turnaround!**

**First, I got a four-million-naira contract in June last year. Then in November, I got another contract worth N18million! This job was executed hitch-free without my having to borrow. I have finished the contract, and I have been fully paid! I thank God!”** --- Aliyu, V.

#### 14. Now A Millionaire!

“I was in church during one of the Shilohs, when the Bishop said, ‘There is a man here. The money you came to Shiloh with, is the money someone gave you. As the Lord lives, by this time next year, you will be 25 times better than you are.’

I knew he referred to me, because I came with the \$100 my uncle gave me, and that was all I had in my possession. We had suffered from generational poverty, which I hated. So, when the Bishop said it, I keyed into it.

Miraculously, in less than six months, God gave me a visa without papers, to travel to Korea. When I got there, instead of looking for job, I became an employer of 12 people. I paid over N200,000 per month to each of them. **Today, God has made me a millionaire!** He is faithful! I give Him all the glory!”--- **Okechukwu, E.**

#### 15. ‘... Millions Flow Into My Account...!’

“Last year, my business collapsed. I started working with my friend who was paying me ₦20,000, to make ends meet. My tithe was top priority. Instead of spending my tithe, I would rather trek, to ensure my tithe was paid regularly.

When Shiloh sacrifice was called for, I pledged ₦30,000. I promised God that I was going to redeem my vow with ₦5,000 monthly.

By January I gave the whole ₦20,000 as my first fruit. On June 27, I finished paying my vow. On July 8, my boss fired me for no reason!

**By August, the God of turnaround turned my life around.** He gave me a supply that made me travel from state to state, and from capital to capital! **As I was travelling, millions were flowing into my account. In one week, I bought a Camry car, two plots of land and I became an importer.** Right now, as I speak, a **forty-foot container is on its way for me!** I give glory to God!”---**Anem, I. A**

#### 16. Mega Change Of Levels!

“I graduated from Covenant University in 2010. In 2011, I got a job with an estate firm. In December 2012, I resigned because I wanted to start my own business.

In January 2013, I began my business and the operations were successful. In June, I realized I could combine my professional practice with my personal business; so I opted for that.

I got a call from a friend, who needed my *curriculum vitae* (C.V.). So, I sent it to him. Shortly after, someone in his organisation called me for an interview. I had two successful interviews.

On July 21, which was the *Covenant Day of Miracle Job*, the Bishop said the number of years we had attended the church did not matter, that what mattered was our connectivity. So, I told God that the job was mine, though I was the least qualified, and the youngest.

On Friday, I got a call from the multinational company, and I have signed my offer letter. **The difference in salary is above 1000%.** ---**Chidera, O.**

### **17. Mega Financial Breakthroughs!**

“During Shiloh 2009 Impartation Service, I testified to the greatness of God via sacrifices. As I got back to my seat, the bishop called for Shiloh sacrifice. I wanted to write N1.5 million when God said, ‘I don’t want to ever see thousands in your Shiloh sacrifices again forever!’ I immediately wrote N2m, redeemable once in March 2010.

In January 2010, crises began in the banking sector where I work. People were losing their jobs, with salaries reviewed downwards. In March, I paid my Shiloh sacrifice once, and immediately the heavens opened! I was called by top management that I am a great asset to the bank. They told me to promise not to leave the bank in the next two years. I promised and immediately I was paid three years salary as a ‘thank-you’ for not leaving. This payment has nothing to do with my monthly salaries and other benefits.

In May, I attended WOFBI Leadership Certificate Course (LCC). At WOFBI, I caught an idea, I put it into practice from July 2010, and monthly proceeds from it are more than my monthly salaries!

In October 2010, I was supernaturally promoted to a senior management staff! This made it the 8<sup>th</sup> promotion in my eight years of banking experience! Today, WHAT USED TO BE MY MONTHLY SHILOH SACRIFICE, IS NOW MY TWO CHILDREN’S SUNDAY SERVICE OFFERINGS! To God of Shiloh alone be all the glory!”--- **Dare, O.**

### **18. Turnaround From Zero Level To Next Levels!**

“I joined this Commission in 2006. Since then, my life had turnarounds from zero level to *Next Levels* today. The *Double Portion* declaration agenda for this year, has really manifested in my business and family!

A giant loan was set into my business in 2009. Since then, we had been believing God to run this business, as this Commission operates debt-free.

During Shiloh 2012, I determined with my wife and we prayed about the loan. We prayed, believing God that we won’t return to Shiloh 2013, with that loan hanging on our company.

Lo and behold, God has paid the loan today! He did not only pay the loan, fresh ideas came into the business, which has turned the business round 1,000 times higher, more than we have been experiencing, since the inception of the business! Today, I return all the glory to the God of Bishop David Oyedepo!”---

**Oladeji, O. B.**

### 19. ‘... I Count Thousands Each Day!’ - SHOES AS OFFERING

“I came here for the first time in April this year. Before then, when I displayed my goods for sale, even if I sold it at a cheaper price, people would not buy from me. This was a big burden to me, which kept bugging my life.

After I joined the church, I noticed remarkable changes in me. On my way to church one day, the heel of my shoe pulled off. Something immediately told me not to take those shoes home, but to give them as offering. But I told God that I had only two pairs, and kept debating in my mind whether to give them or not. Then I saw one of the pastors, and asked him if Jesus would wear a spoilt pair of shoes. I wondered if I could at least repair them before offering them. But the pastor said I should give them just as they were, that Jesus had something to do with them.

SO, I PACKAGED THE SHOES AS OFFERING. As soon as I dropped them as offering, I was very happy, as if a burden was lifted from my neck. Since then, I who could scarcely count 70 naira as sales each day before, have now become one that counts thousands each day!” --- **Afolabi, O.**

### 20. **From Rags To Riches! – VOW, TITHE, OFFERINGS**

“I abandoned my civil service job after nine years, due to problems I encountered from my colleagues. I was in so much debts that even my parents thought there was no way out for me. Relatives mocked me. It was in this condition that I joined the church.

My clothes were almost rags, and I was in tears. While ministering, Bishop said, ‘Those who have mocked you will come to you for help.’ He then announced there would be Feet-Washing Service, during the week. I came and my feet were washed.

After my feet were washed, I got a job in a foreign shipping company. God provided money for me, and I started supplying fresh water to international vessels.

At one of the services, the Bishop made an announcement for chair offering. I didn’t have much on me. After the service, I prayed to God to make a way for me. That week, I got orders from four vessels. I made the supplies, after WHICH I WAS ABLE TO PAY MY VOW, TITHE AND OFFERINGS.

Then God started prospering me, and I was able to pay all my debts! The International shipping companies I work with rated my supplies as the best and advertised my products to other shipping lines! Now, I have bought a car! I have money to spend; I spend mainly foreign currencies! God has increased my business that I now communicate with ship owners by fax and telephone.”---

**David, F.**

### 21. ‘God Has Prospered Me Financially!’ – 3 MONTHS & SERVICE

“I joined this Commission in November 1999 in Ilorin. After the bishop commissioned the Transport Unit in 2000, he anointed us and I served earnestly as a bus steward and a transport agent.

Along the line, God continued to bless my work in Lagos. Then, I laid the foundation of a house.

At one of the services, God’s servant said, ‘If you stay with God in the Church for three months and you don’t see any changes, go to another Church.’ The word hit me! Meanwhile, I continued serving God here.

After that time, God changed my story! When I started, I was a boy who could not afford the rent for a room. By the grace of God, now I am married, I have four children (two boys and two girls). Also, I have a bungalow, a good job. God has prospered me financially! I give Him all the glory!”--- **Godwin, O. (Dcn.).**

### 22. Miracle Job with Triple Salary Increase! – SEED & SERVICE

“Since January this year, I believed God for a change of job. During the last *Spiritual Week of Emphasis*, I SOWED A FINANCIAL SEED AND TIED IT TO MY NEW JOB.

The following day, I was called for an interview in an oil and gas firm. After the interview, the interviewer confided in me that I was over qualified for the job.

On Friday, the Bishop said we should vow ourselves out of everything that displeased God in our lives. I did, AND ALSO VOWED TO SERVE GOD WITH ALL I HAD.

On Saturday, during the Sanctuary Keeper’s meeting, I was assigned to the toilet unit. As I scrubbed the toilet, I reminded God of His promise in Exodus 23:25, and said, ‘Please remember me.’ That same day, my husband and I went for a meeting with the Chief Executive Officer (CEO) of a logistic company, who had called, pleading with me to join his company.

After the meeting, he offered me a salary package worth three times the salary from my previous job. I give all the glory to the God of this Commission!”--- **Mrs. Nnadike, L.**

### 23. N3.7 Million Contract! – THANKS & TITHE

“At the December 31 Cross-Over Service, the bishop said we should go home and start dancing.

As I got home, I STARTED GIVING THANKS, AND I DANCED TO HONOUR GOD. Since then, He has been blessing me tremendously!

At the Winners’ Banquet meeting, the bishop said we should ask God for what we wanted, and he began to shower prophetic blessings on us. All I did was to thank God for all He had done for me.

Three days after that programme, I went to a friend who is the managing director of a company. He asked me to help them to source for some items.

After getting them the items, he gave me a N3.7 million contract! After I executed the contract, I PAID MY TITHE FROM THE PROFIT. Indeed, God has blessed me! I thank God!”--- **Kehinde, B.**

### 24. Diverse Financial Visitations! - TITHE

“In April 2009, I got my first job without salary, in a telecommunications company. My first commission after three months was N3,200. AFTER I PAID MY TITHE, HEAVEN OPENED! In that service, the Bishop said many us would receive strange phone calls! I claimed it!

The following day, I had a call from two companies, pleading that they needed my services. From that call, I made an instant commission of N45,000!

During Shiloh 2009, I bought a book, *Ruling Your World*, written by the bishop. In the book, the bishop said, ‘Working to learn makes a leader, while working to earn makes a slave.’ It hit me! I rejected being a slave and I chose to be a leader.

In February 2010, I founded my telecommunications firm and I paid for an office space for two years. In May, the company was fully incorporated with the Corporate Affairs Commission (CAC), and licensed by the NCC, with a share capital of N1,000,000 (one million naira). Not only that, God dazed me with a three-bedroom apartment, which I fully paid for, with ease!

In October, I opened a logistic and lease unit in my telecommunications firm. God, indeed, was in hurry to bless me financially! I travelled abroad and acquired the first vehicle for the company worth N1.1 million, which has been successfully delivered! I thank God!”--- **David, A. A.**
